

CVI & Deborah's 9th Annual Role of Cardiac Imaging in Women

Saturday December 3, 2022 * Westin Mt. Laurel

Presented by:

AGENDA

7.5 CME/CEU/SDMS/VOICE Credits • ♥7.0 ABIM Medical Knowledge MOC

| | | |
|---|--|-------------------|
| Welcome and Overview | <i>Renee Bullock-Palmer, MD</i> | 7:45am–8:00am |
| Assessment of Cardiovascular Risk in Women From Child-Bearing Years through Post Menopause: What the Cardiologist Needs to Know | <i>Jennifer Lewey, MD</i> | 8:00am–8:30am |
| Risks and Management of Hypertension in Pregnancy: What Do the Latest Studies Tell Us (CHAPS Trial) | <i>Renee Bullock-Palmer, MD</i> | 8:30am–9:00am |
| <u>Keynote Presentation:</u> Cardiovascular Morbidity and Mortality: Why is This Still a Great Burden for Women in 2022 | <i>Keynote Presenter Gina Lundberg, MD</i> | 9:00am–9:45am |
| Panel Discussion & Q/A | <i>Panel</i> | 9:45am–10:00am |
| BREAK | | 10:00 am- 10:30am |
| Diagnosis and Management of INOCA and MINOCA | <i>Nathaniel Smilowitz, MD</i> | 10:30am–11:00am |
| Diagnosis and Management of Spontaneous Coronary Artery Disease (SCAD) in Women | <i>Malissa Wood, MD</i> | 11:00am–11:30am |
| Is There a Role for Cardiovascular Imaging in the Diagnosis and Management of Takotsubo Cardiomyopathy in Women | <i>M. Barbara Srichai-Parsia, MD</i> | 11:30am–12:00pm |
| Stress Echocardiography in 2022: How Can We Make a Good Thing Even Better | <i>Patricia Pellikka, MD</i> | 12:00pm–12:30pm |
| LUNCH | | 12:30pm to 1:15pm |
| The Role of Cardiac Imaging in Cardio-Oncology | <i>Marielle Scherrer Crosbie, MD</i> | 1:15pm- 1:45pm |
| Best Practices and Applications of Myocardial Strain Imaging in the Echo Lab – Case Based | <i>Benedicte Lefebvre, MD</i> | 1:45pm–2:00pm |
| How Artificial Intelligence Can be Used to Improve Efficiency and Accuracy in Echocardiography | <i>Partho Sengupta, MD</i> | 2:00pm–2:30pm |
| Nuts and Bolts of Setting Up a Cardiac Sarcoidosis Imaging Program: What Does the Cardiologist Need to Know | <i>Amit Patel, MD</i> | 2:30pm–3:00pm |
| How Nuclear Labs Can Modernize Their Equipment and Software to Meet the Diagnostic Needs of Female Patients in 2022 and Beyond | <i>Krishna Patel, MD</i> | 3:00pm- 3:30pm |
| The Role of Nuclear Imaging in the Diagnosis of Women with Chest Pain | <i>Renee Bullock Palmer, MD</i> | 3:30pm- 4:00pm |
| Review and Close | <i>Renee Bullock Palmer, MD</i> | 4:00pm- 4:15pm |
