

CVI's Office-based Management of Cardiovascular Disease

Sunday, October 13, 2024

Registration Form

Qty.	Type	Fee	Total
	Physicians & Industry	\$175 (\$225 after 9/23/24)	
	Physician with MOC Points	\$225 (\$275 after 9/23/24)	
	Fellows & Residents	\$100 (\$150 after 9/23/24)	
	Advanced Practice Providers, Sonographers, Nurses	\$100 (\$150 after 9/23/24)	
GRAND TOTAL			

Name _____
 Degree _____
 Cell Phone _____
 Email address: _____
 Clinical Position _____
 Clinical Affiliation Name _____
 Mailing Address _____
 City _____ State _____ Zip _____
 Is this address work? _____ Home? _____ Other? _____

Important Notes:

You MUST register in advance to attend the sessions. Register online at cvphiladelphia.org.

Please make checks payable to:
Cardiovascular Institute of Philadelphia
825 Mearns Road, Warminster, PA 18974
Phone: 215-389-2300

Course Registration Cancellation Policy:

Requests in writing for refunds, less \$35 administrative fee, by September 23, 2024 to be processed after the meeting. Registrations are transferable with prior notification to CVI by September 23, 2024.

CVI's Office-based Management of Cardiovascular Disease

Sunday, October 13, 2024

Marriott Philadelphia West, West Conshohocken, PA

7:45 a.m. – 4:15 p.m.

Keynote Presentations:

SGLT-2 Inhibitors & GLP-1 Agonists in Diabetes and High-Risk Non-Diabetic Patients

Daniel Edmundowicz, MD, MS
 Professor and Chair of Medicine
 Florence P. Bernheimer Distinguished Service Professor in Medicine and Cardiology
 Lewis Katz School of Medicine, Temple University

Evolving Landscapes: Cardiology and Artificial Intelligence

Paul A. Friedman, MD
 Cardiac Electrophysiologist
 Chair, Cardiovascular Medicine
 Mayo Clinic

Attendees can earn up to:

7.25 CME/CEU

7.25 ABIM Medical Knowledge Points for Physicians seeking Board Certification

Program Overview

Intended Audience

This program is designed to cater to a diverse array of healthcare professionals, including physicians specializing in clinical and interventional cardiology, electrophysiology, cardiac surgery, family practice, internal medicine, emergency medicine, geriatric medicine, and primary care. Additionally, advanced practice providers such as nurse practitioners and physician assistants, along with nurses, fellows, residents, medical students, medical assistants, and all allied and home healthcare professionals involved in the care of patients with cardiovascular disease, will find this program invaluable.

Join us for an unparalleled opportunity to enhance your knowledge and skills in cardiovascular care, benefiting from the insights and expertise shared by leading figures in the field.

Overall Learning Objectives

By the end of this conference, participants will be able to integrate advanced knowledge and innovative strategies into clinical practice for the management of complex cardiovascular conditions. Specifically, attendees will:

- Describe the latest advancements in the use of SGLT-2 inhibitors and GLP-1 agonists for diabetes and high-risk non-diabetic patients.
- Explore the evolving role of artificial intelligence in cardiology and its impact on patient care.
- Develop evidence-based approaches for managing resistant hypertension.
- Recognize the interrelationship between cardiac, renal, and metabolic health, particularly in Cardiac Kidney Metabolic Syndrome.
- Identify and implement optimal treatment strategies for systolic and diastolic heart failure in real-world settings.
- Evaluate which patients with fatty liver disease require further assessment and treatment.
- Assess the appropriateness of anticoagulation therapy for patients with paroxysmal atrial fibrillation using new wearable devices.
- Enhance outcomes in hypertrophic cardiomyopathy through targeted treatment plans.
- Determine appropriate screening protocols for cardiac amyloidosis to improve early diagnosis and management.

Accreditation Statements

JOINTLY ACCREDITED PROVIDER
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and in support of improving patient care, this activity has been planned and implemented by CME Outfitters, LLC, and the Cardiovascular Institute of Philadelphia. CME Outfitters, LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians (ACCME): CME Outfitters, LLC, designates this live activity for a maximum of 7.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses (ANCC): This activity is designated for 7.25 contact hours. Note to Nurse Practitioners: the content of this CNE activity pertains to Pharmacology.

Physician Assistants (AAPA): CME Outfitters, LLC, has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 7.25 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 7.25 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Faculty

Course Directors

Dean Karalis, MD
Clinical Professor of Medicine
Thomas Jefferson University

Veronica Covalesky, MD
Clinical Instructor Medicine
Thomas Jefferson University

Daniel E. Soffer, MD, FNLA
Clinical Associate Professor of Medicine
University of Pennsylvania Health System
Immediate Past President of the National Lipid Association (2024/25)

Keynote Faculty

Daniel Edmundowicz, MD, MS
Professor and Chair of Medicine

Florence P. Bernheimer Distinguished Service Professor in Medicine and Cardiology
Lewis Katz School of Medicine, Temple University

Paul A. Friedman, MD
Cardiac Electrophysiologist
Chair, Cardiovascular Medicine
Mayo Clinic

Faculty

Eugene Brailovsky, DO
Medical Director Cardiac Amyloidosis Program
Thomas Jefferson University Hospital

Nihar Desai, MD, MPH
Associate Professor of Medicine
Yale Associate Professor of Medicine and
Vice Chief of the Section of Cardiovascular
Medicine at Yale University School of Medicine

P. Barton Duell, MD
Professor of Medicine, Division of
Cardiovascular Medicine, School of Medicine
Oregon Health & Science University

Brian Fulton, MD
Assistant Professor of Clinical Medicine
University of Pennsylvania

Sabrina Islam, MD, MPH
Associate Professor of Medicine
Lewis Katz School of Medicine at Temple
University

Colin Movsowitz, MD
Clinical Cardiac Electrophysiologist
Cardiology Consultants of Philadelphia
Paoli Hospital

Anjali Owens, MD
Medical Director, Penn Center for Inherited Car-
diovascular Disease
Hospital of the University of Pennsylvania

Justin Pelberg, DO
Medical Director of VAD Program
Lankenau Medical Center
Assistant Professor of Medicine
Thomas Jefferson University Hospital

Matthew Sangoi, MD, MSc
Cardiology Fellow
University of Pennsylvania

Conflict of Interest Disclosure Policy

It is the policy of CME Outfitters, LLC, to ensure independence, balance, objectivity, and scientific rigor and integrity in all of their CE activities. Faculty must disclose to the participants any relationships with commercial companies whose products or devices may be mentioned in faculty presentations, or with the commercial supporter of this CE activity. CME Outfitters, LLC, has evaluated, identified, and mitigated any potential conflicts of interest through a rigorous content validation procedure, use of evidence-based data/research, and a multidisciplinary peer review process.

Disclosure of Unlabeled Use

Faculty of this CE activity may include discussions of products or devices that are not currently labeled for use by the FDA. The faculty have been informed of their responsibility to disclose to the audience if they will be discussing off-label or investigational uses (any uses not approved by the FDA) of products or devices.

Program Agenda

CVI's Office-based Management of Cardiovascular Disease
Sunday, October 13, 2024

Introductory Case 7:45 am – 8:00 am
Dean Karalis, MD

From A to B and Back to LDL: Making Sense of the Lipid Alphabet Soup 8:00 am – 8:45 am
Daniel Soffer, MD
Matthew Sangoi, MD (fellow case presentation)

KEYNOTE: SGLT-2 Inhibitors & GLP-1 Agonists in Diabetes and High-Risk Non-Diabetic Patients
Daniel Edmundowicz, MD 8:45 am – 9:30 am

KEYNOTE: Evolving Landscapes: Cardiology and Artificial Intelligence 9:30 am – 10:15 am
Paul Andrew Friedman, MD

BREAK 10:15 am – 10:45 am

How to Treat Patients with Resistant Hypertension . . . 10:45 am – 11:15 am
Sabrina Islam, MD

Renal Denervation for Managing Hypertension 11:15 am to 11:45 am
Brian Fulton, MD

Cardiac Kidney Metabolic Syndrome: What the Cardiologist Needs to Know 11:45 am – 12:15pm
Nihar Desai, MD

Panel Discussion 12:15 pm – 12:30 pm
Nihar Desai, MD; Brian Fulton, MD; Sabrina Islam, MD

LUNCH* 12:30 pm – 1:30 pm

Fatty Liver: Who Should Be Further Evaluated and How to Treat? 1:30 pm – 2:00 pm
P. Barton Duell, MD

Heart Failure: What Is the Optimal Treatment for Patients with Systolic and Diastolic Heart Failure and How to Do This in Real-World Practice? 2:00 pm – 2:45 pm
Justin Pelberg, DO

New Wearable Devices: Do All Patients with Paroxysmal Atrial Fibrillation Need to be on Anticoagulation? 2:45 pm – 3:15 pm
Colin Movsowitz, MD

New Treatment Strategies for Hypertrophic Cardiomyopathy 3:15 pm – 3:45 pm
Anjali Owens, MD

When and How Should We Be Screening for Cardiac Amyloidosis? 3:45 pm – 4:15 pm
Eugene Brailovsky, DO

Closing Case 4:15 pm – 4:30 pm
Veronica Covalesky, MD

*Non-CME/CE Accredited
